## **InstantCriminalChecks.com Background Checks Launches Toll-Free Number**

Customers who have inquiries about background checks and [national criminal check](#) services can now use the InstantCriminalChecks.com toll free number to have their questions answered quickly and easily. Customer service representatives are available from 9 a.m. to 5 p.m. Monday through Friday.

InstantCriminalChecks.com recently launched a toll free number for its national criminal check customers, allowing them to easily contact a customer service representative regarding any questions, comments or concerns they have about background checks. Customers can reach representatives from 9 a.m. to 5 p.m. Monday through Friday at 877-732-3436 for sales questions, account questions and general customer support.

The company has earned a reputation for providing all of its customers with high-quality [healthcare background check solutions](#) and reports. These reports, which can be generated on a local, state or national level, are designed to be accurate and easy to interpret. Customer representatives are available to help clients choose the background checks and services they need in order to obtain the information they are seeking about a given individual.

This toll free number is yet another step that [Instant Criminal Checks](#) is taking in order to provide all of its customers with premium support and services. Aside from providing all clients with accurate, instant national criminal check reports, customer service is a top priority. The company has earned a reputation for truly listening to its customers' feedback and is known to implement many of the ideas and suggestions provided by loyal clients.

Whether a customer has a question about a particular background checks package or they need assistance in interpreting the national criminal check report they received instantly from the company, the customer service representatives at InstantCriminalChecks.com are available to help. The company recognizes that many questions and comments are best addressed over the phone, which is why it has recently added a toll free number for customers to use.

For more information on customer service support at InstantCriminalChecks.com, contact the company today at 877-732-3436. The customer service support team is available to take calls and return phone messages from 9 a.m. to 5 p.m. Monday through Friday, and is looking forward to hearing from all clients.
