Intelligence to Make Informed Decisions™

11/30/2013 [Background Check Press Release](#)

New Staffing Criminal Background Checks Webpage

InstantCriminalChecks.com now offers staffing criminal background checks to its clients, specifically those in the recruiting and temporary agencies industry. The new website provides clients with information about the industry and explains how to place a staffing background check order.

InstantCriminalChecks.com recently added a [staffing background check](#) industry page to its website, allowing those in staffing employment agencies and temp agencies to easily find the information they need about staffing criminal background checks. This webpage provides comprehensive information about the industry and explains how easy it is to instantly receive a staffing criminal check from the company.

Employees of temporary agencies and those in the recruiting industry understand the importance of providing potential employers with clients who have been pre-screened by an employment background search. However, it's not always easy for these employees to find quality, accurate information about the clients they are working with. InstantCriminalChecks.com is solving that problem with its comprehensive solutions and flexible ordering process. The staffing criminal background checks offered at InstantCriminalChecks.com are customized to meet the needs of the customer.

Staffing criminal checks that are offered through InstantCriminalChecks.com include national criminal background checks, local and [state criminal background checks](#), Social Security Number verification services, National Sex Offender registry search and address history reports.

Clients in all different industries and from various backgrounds have come to rely on InstantCriminalChecks.com for all of their background check and criminal history report needs. Those in the staffing industry are invited to check out the new webpage and see what services might be beneficial for them. If you are a healthcare staffing agency then you can read more about InstantCriminalChecks.com [health care background check](#) solutions. InstantCriminalChecks.com is devoted to its customer base, and values all customer feedback. The experts at InstantCriminalChecks.com look forward to working with those in the recruiting industry and hope to provide them with the staffing criminal background checks and criminal background checks that they require in order to conduct their daily business.
