03/28/2013 [Background Check Press Release](#)

Now Offering High Volume Criminal Background Check Discount Account

InstantCriminalChecks.com now provides monthly billing payment options as well as [criminal background check discounts](#) for clients who will be placing high volume orders. The company has launched this new payment system in order to better accommodate businesses who require criminal background checks more often.

Various businesses and companies need access to quick and [accurate criminal background screening](#) on a regular basis, and these services can add up quickly. In order to address this concern and reward regular high volume clients, InstantCriminalChecks.com has launched a new payment system and criminal background check discount reward program for its regular customers. Clients who require a high volume of background checks and those who need criminal background checks weekly or monthly can now create a criminal background check discount account with InstantCriminalChecks.com.

Criminal background check accounts afford clients who work with InstantCriminalChecks.com the opportunity to receive more perks and benefits along with the quality service they are used to. These accounts, which come with monthly billing options, include services such as:

- The ability to access prior invoices, store those invoices and print out any invoices that are needed.
- Additional account storage and detailed account history.
- Net 30 payment terms.

Clients who open a criminal background check discount account with the company can pay their monthly bill through credit card or check. InstantCriminalChecks.com also offers safe and secure payment options such as PayPal for those who are interested.

In addition to providing flexible accounts that allow companies to budget for their criminal background check services and needs, InstantCriminalChecks.com now offers criminal background check discounts for high volume orders. The amount of the discount will vary based on the order itself and the company placing the order. Specifically, rates will be determined based on the bundle options that the client chooses, the search volume and the search type. Clients who are interested in [discount rates](#) should set up a free consultation with a representative from InstantCriminalChecks.com.

Regardless of the type of background check account that a client sets up, they can expect to receive the same level of customer service that they have always received from InstantCriminalChecks.com. Every client, whether they are placing an order for one criminal background check or 100 [criminal background checks](#) receives the most accurate results as quickly as possible. InstantCriminalChecks.com places customer service and satisfaction as a top priority, and is constantly striving to improve the customer experience.
