Intelligence to Make Informed Decisions™

05/29/2013 [Background Check Press Release](#)

New Pre-Employment Screening Background Check Products List Webpage

InstantCriminalChecks.com launched a product listing webpage that details all of the background check services and [employment screening](#) packages that the company provides. This new webpage allows users to easily find the products that they want and instantly place their orders. It is designed to improve the customer service experience at InstantCriminalChecks.com.

In an effort to simplify the ordering process, InstantCriminalChecks.com released a product listing webpage that allows users to view all of the company's services at a glance. Customers can quickly peruse the options available for background check services and pre-employment screening packages.

InstantCriminalChecks.com is one of the top online provider of reliable, accurate background checks. Customers benefit from the large network of databases that the company has access to, and they enjoy the fact that they receive instant results. The InstantCriminalChecks.com network includes state-wide criminal records databases, public records from local, state and federal offices, the National Sex Offender Registry and America's Most Wanted List.

The company provides a variety of different pre-employment screening background check services, including:

- Statewide Criminal Background Check
- 3-State Criminal Background Check
- National Criminal Background Check
- County Criminal Background Check
- Federal Background Check
- Social Security Number Verification and Address Trace
- National Sex Offender Registry Search
- America's Most Wanted List Search

InstantCriminalChecks.com prides itself on its commitment to customer service. Company representatives are available to assist customers through the ordering process, and continue to work with clients after the fact to ensure they are satisfied with the results of their search.

By creating the background checks products list webpage, InstantCriminalChecks.com ensures that all customers have a better experience with the company. Customers can quickly browse the different pre-employment screening packages available and assess their own personal needs. With the click of a button, any customer can make their background check selection and instantly complete their order. Within a matter of moments, an accurate, easy-to-read report will be delivered to them. The service provided by InstantCriminalChecks.com allows all customers to make sound, well-informed decisions.
