Intelligence to Make Informed Decisions™

06/27/2013 Background Check Press Release

New InstantCriminalChecks.com Background Check Resources Portal

InstantCriminalChecks.com launched a product listing webpage that details all of the background check services and [pre-employment screening](#) packages that the company provides. This new webpage allows users to easily find the products that they want and instantly place their orders. It is designed to improve the customer service experience at InstantCriminalChecks.com.

InstantCriminalChecks.com designed a [public records resources](#) portal that provides instant access to the best employment screening resources and background check resources on the web. This background screening resources page provides clients with the opportunity to do further research and develop a better understanding of the background check industry.

As a top provider of instant, [accurate criminal background checks](#), InstantCriminalChecks.com recognizes that customers often need more information in order to fully utilize their report. These resources will help clients analyze the data that they receive immediately after placing their order as well as delve further into their search process. The background screening resources webpage links to the following pages on the InstantCriminalChecks.com site:

- [Background Industry Abbreviations](#)— Most criminal background check reports are littered with abbreviations that are not commonly understood by members of the public. With a commitment to promoting customer education, InstantCriminalChecks.com developed an abbreviations reference page where customers can easily find an abbreviation that they are searching for in this alphabetized list.
- [Instant Criminal Checks Glossary](#)— As with any industry, the criminal background check industry is filled with jargon. This glossary will help customers define relevant terms and also understand the context of those terms.
- Free Background Check Resources — This site identifies free background check resources and services that are available, including Free Annual Credit Report services, a County Name and ZIP Code search engine and the Free National Sex Offender Registry list.
- Other Resources — This page provides customers with all of the industry resources they need to assist them in their search and in their decision.
- [FCRA Compliance and Forms](#)— InstantCriminalChecks.com customers must be compliant with the Fair Credit Reporting Act. This page provides detailed information and step-by-step instructions on how to remain compliant while performing a criminal background check on an individual.

People have come to know and trust InstantCriminalChecks.com as a top provider of instant and accurate criminal background check reports. Now, customers will recognize InstantCriminalChecks.com as the place to go to get many of the employment background checks resources and background screening resources they need in order to make a sound decision about a future employee or a potential tenant. To find out more information about background check resources and employment screening resources, contact InstantCriminalChecks.com today.
