## **InstantCriminalChecks.com Offers Education Employment Background Checks**

**InstantCriminalChecks.com now offers academic criminal background checks for employers in the education industry. These instant education employment background checks are known for their reliability and accuracy.**

In order to better serve education professionals who are hiring employees in the industry, InstantCriminalChecks.com has launched an education employment background check service. This service provides employers with the academic criminal background checks they need in order to make the best decisions possible for their respective institutions.

This service is designed by the [criminal background check experts](#) at InstantCriminalChecks.com in order to provide educational institutions with accurate information in the shortest amount of time. Today's educational facilities, such as public school districts, community colleges and universities, all have an obligation to provide their students with a safe and secure learning environment. Researching a potential employee's background is essential to fulfilling this promise to all students.

The education employment background checks from InstantCriminalChecks.com provide vital criminal background information as well as [sex offender registry](#) information. These criminal reports are provided nearly instantly to the party requesting the information, and are prepared in a comprehensive, easy-to-read file. This allows the report recipient to quickly acquire the information they need in order to make a solid decision about a potential employee or a future student.

University criminal background checks are useful for colleges, universities and other learning institutions. These reports are used when making hiring decisions for all different positions within the institution. Common positions that require a criminal background check include professors and teachers, administrative assistants, janitorial staff, coaches and professional staff members who work at the school. These education employment background checks aim to protect students by minimizing the likelihood of hiring someone with a criminal background record to work within the campus or in the educational facility.

In addition, academic criminal background checks are increasing in popularity for potential students. In order to increase campus safety, many colleges and universities are using criminal background reports before admitting students to their institution. Schools across the country also find these reports useful when checking references on parents and school volunteers who will be participating in school activities.

InstantCriminalChecks.com is committed to providing educational institutions of all types and sizes with the academic criminal background checks and [education criminal background checks](#) that they need. The company recognizes the importance of educational safety, and wants to provide all industry leaders with the information they need at an affordable price.
